"As a corporate function venue 1two3 bar is an absolute MUST. If you're looking for a venue with outstanding staff, convenient location and excellent food, look no further. We customised a food and beverage package to suit our requirements (and budget), hired the venue exclusively and had a seriously good time. We were able to theme our event and were thrilled by the staff getting into the theme also. McAfee's corporate drinks party at 1two3 bar is still being talked about well after the event! I would recommend it to everyone." **Gillian Quarmby - McAfee Marketing, ANZ.**

"Just a quick note to say Thank you to you and your staff at both restaurants who were very helpful and obliging attending our 2 events. We will be delighted to promote your restaurants to others. Thanks again for everything, Continued Success!" **Mary Wise- Wise Management**

"Thank you for your detailed attention in leading up to our important corporate dinner. Your response time to my emails and phone calls were prompt and each enquiry no matter how small was handled in a courteous manner. The group really enjoyed dinner at 1two3 Dining & Lounge Bar and the staff there continued the professional manner in which our business had been handled by you." **Lucia Williams, ATS - Pacific**
